### THE MAILBEARD WHO COULDN'T READ

Lucas, the bear delivering letters in the forest, loves his job and, although he doesn't know how to read, thanks to his intuition and the support of his neighbors, he always manages to do so. But one day he receives a different letter and, for the first time, he doesn't know to whom he should deliver it...

Who is the mysterious letter for?

**Picture book:**

Author: Susana Peix  
Illustrator: Sara Sánchez  
Size: 24 X 30 cm  
48 pages  
Age Range: +5 years

### GRANDMOTHER, GRANDSON AND DONKEY

"Grandmother, Grandson and Donkey" is a tale about three characters and a family story. A tale of oral tradition that reminds us how important it is not to pay attention to everything others say.

**Picture book:**

Author: Caxoto  
Illustrator: Cinta Arribas  
Size: 24 X 27 cm  
40 pages  
Age Range: +6 years

## CHILLU'S LEAD STEP

**Picture book:**

Author: Paco Ortega  
Illustrator: Paco Ortega  
Size: 22 X 24 cm  
40 pages  
Age Range: +4 years

On his journey, Chillú discovers that, in order to reach the top, he will have to face what he fears the most.

**Topic:**

- Brotherhood
- Dreams
- Fears

An emotive story that tells the journey of Chillú, a boy who travels the world with his small chest, in which he keeps all his fears.

## PORQUELANDIA THE CREATIVE DECK OF CARDS

Create absurd questions combining random characters and situations, try to find a quick answer and move forward. You will see that delirious situations will appear that you had never imagined before. This is what the game is all about.

Justify your reason and surprise your colleagues by starting up all your creative machinery.

Author: Leticia Costas  
Illustrator: Iván R.  
Size: 13 X 9 cm  
50 cards and 50 pages book  
Age Range: +7 years

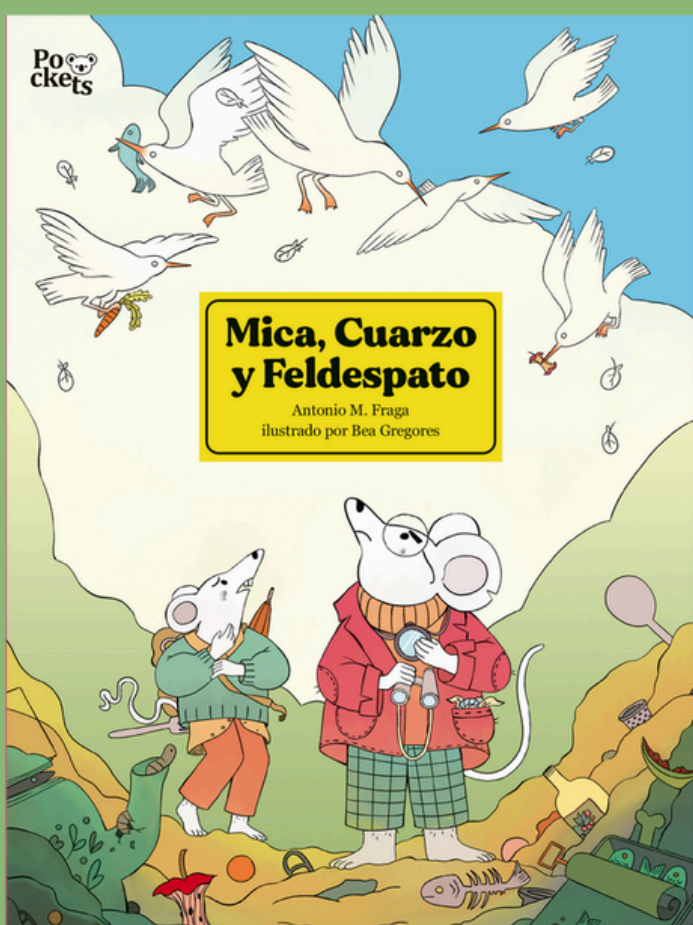

## CHRISTMAST SET OF mini- BOOKS

A deluxe box with a mini-collection of four hardcover books to enjoy during the holiday season.

Now that the holidays are coming, there's no better way to spend free time in company than reading stories of today and always. That's why we gathered four children's authors who chose their favorite carols to adapt them into Christmas stories.

Illustrator: Fernando Martín  
Size: 10 x 14 x 4 cm  
4 mini hardcover books of 40 pages  
Age Range: +6 years

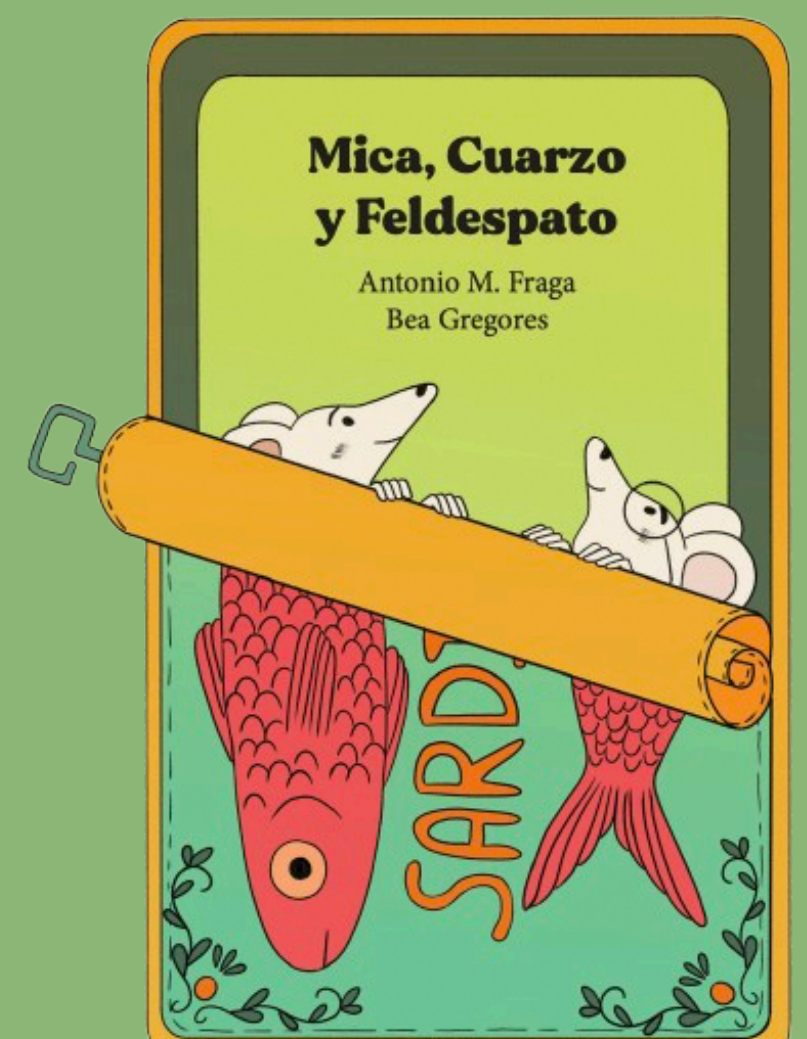

## Mica, Quartz and Feldspar

Author: Antonio M. Fraga  
Illustrator: Bea Gregores  
Size: 14 x 19 cm  
64 pages / Softcover with flaps  
Age Range: +8 years

How nice it is to be a landfill rat! Except if a band of seagulls decides to steal the food that every evening a truck brings from the supermarket.

### Middle Grade Book:

- New collection
- Pocket

## Hospitable

### Comic:

Author: El Hematocrítico  
 Illustrator: Cynthia Hierro  
 Size: 17 X 24 cm  
 72 pages  
 Age Range: +4 years

Sally has just arrived in the Pediatric ICU and is very overwhelmed. She thinks the hospital is a scary place, full of creepy equipment and creepy doctors who do horrible things.

Is she right?

Let's find out what the hospital is hiding in this tender, exciting and humorous story.

# FANI & SUPER DANI

OUR NEW SUPER REVERSIBLE COLLECTION OF CHILDREN'S NARRATIVE.

Dani has always dreamed of being a SUPERHERO and, after wishing so much, he finally got it. Do you want to know how? Luckily, Fani never leaves home without his pen and notebook, ready to tell you everything that happens to his best friend.

Author: Ramón D. Veiga  
 Illustrator: Ignacio Hernández  
 Size: 14 X 20 cm  
 88 pages  
 Age Range: +7 years

## The story-writing machine

### Middle grade book

Author: Ricardo Gómez  
 Illustrator: Emilio Urberuaga  
 Size: 15 X 21 cm  
 196 pages  
 Age Range: +10 years

A machine capable of writing and illustrating stories adapted to the tastes and needs of young and old has arrived in the city. But not everyone seems satisfied with the invention.

An interesting reflection about the role of literature and the risks of artificial intelligence.

72 pages  
Age Range: +14 years

Rights sold to Korea

# Misfortunes of a victorian family

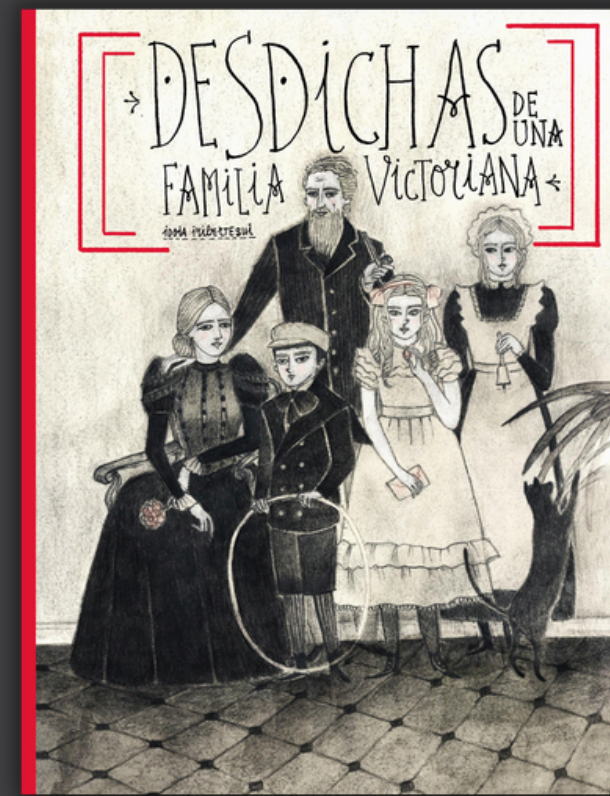

"Misfortunes of a Victorian Family" is a funny, absurd, ironic and improbable drama. Even so, considering the wonderful stories that the Victorian era has inspired, no one might think that this cursed family could have existed. With allusions that remind us of Edgar Allan Poe, Dickens and especially Edward Gorey this story pretends nothing more than to entertain with images of an era and a vanished greatest time of the history.

No cats were harmed in the making of this project.

## Selling points

- All page handmade graphite illustrations .
- Allusions to Edgar Allan Poe, Dickens and Edward Gorey

Picture book  
Author: Idoia Iribertegui  
Size: 21 X 28 cm  
80 pages  
Age Range: +14 years

# The cave girl

When Alicia sees an advertisement in the perolithic of the day requesting an illustrator and painter, she does not hesitate to send her candidacy to Rupestre Pinturas. Her biggest dream is to paint prehistoric caves.

## Selling points

- The cave girl is a book that allows children to enter the wonderful world of prehistory in an attractive and motivating way.
- This story facilitates the learning of certain contents, such as: the concept of nomads, type of food of Paleolithic men and women, cave painting, etc.
- In addition, this story addresses the topic of gender equality.

## Picture book

Author: Paula Merlán  
Illustrator: Gómez  
Size: 23 X 27 cm  
40 pages  
Age Range: +4 years

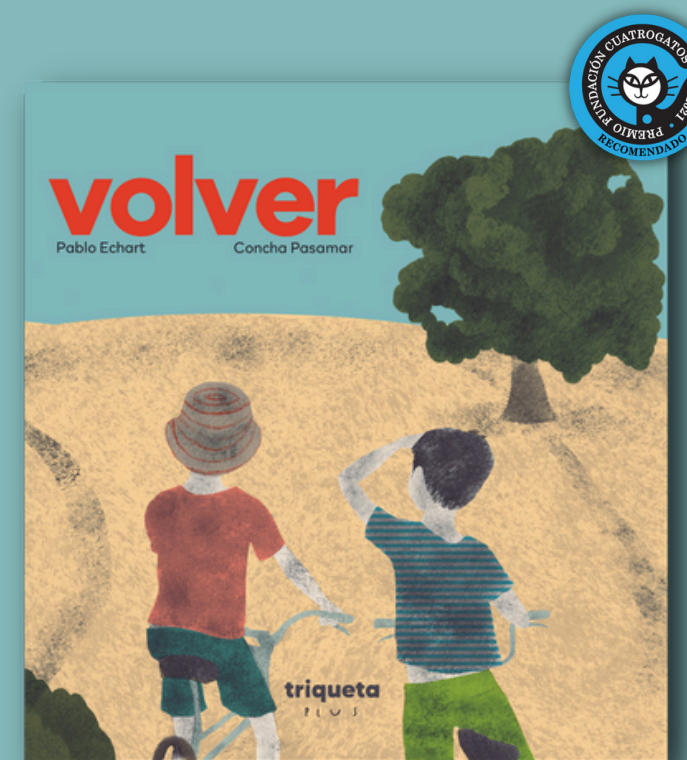

# volver

A beloved face, a sunset, a day at school, a few family steps... Images that shine in our memory and remain stuck in our thoughts making our life beautiful.

"Volver" is a collection of favourite life scenes.

## Picture book

Author: Pablo Echart  
Illustrator: Concha Pasamar  
Size: 24 X 25 cm  
32 pages  
Age Range: +6

# Enyd and the forgotten forest

A journey back to nature, to the forgotten and lost forests.

## Selling points

- A true exercise in nature and environmental awareness of what we are losing through human action.
- Addresses the terrible consequences of forest fires head-on.
- It also helps us to understand what is in our hands to reverse the critical current situation through this magical story about Enyd the elf out the woods.

## Picture Book

Author: María Quintana Silva  
Illustrator: Silvia Álvarez  
Size: 22 X 29 cm  
44 pages  
Age Range: +6 years

Even monsters are afraid of the dark.

## Selling Points

- A good opportunity to talk and downplay the fears that many children have.
- A way to be able to extract, express and naturalize fears through the storytelling.

## Picture Book

Author: María Canosa  
Illustrator: Dani Padrón  
Size: 23 X 27 cm  
40 pages  
Age Range: +4 years

# Benjamín

Benjamin is a sperm whale, the only one of its kind in the waters where he lives. However, he really wants to be a dolphin.

## Selling points

- Appropriate for reading to children around 3-6 years old.
- This is a beautifully told story about diversity and friendship.
- A heartwarming and well-told story about inclusion and diversity that will also be fun to read with young children to get them excited about some of the amazing creatures that live in the sea..

## Picture Book

Author: Paula Carballeira  
Illustrator: Blanca Millán  
Size: 24 X 26 cm  
36 pages  
Age Range: +3 years

# My neighbours

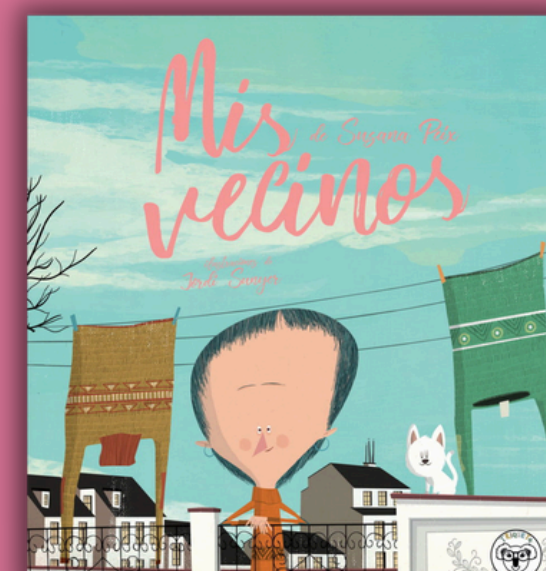

A story that shows us how natural the children see the world

## Selling points:

- The perfect book to talk about the new family roles.
- This story shows respect for gender equality, encourages children to respect other people and their different tastes and helps them understand the importance of love and affection.

## Picture Book

Author: Susana Peix  
Illustrator: Jordi Sunyer  
Size: 24 X 26 cm  
32 pages  
Age Range: +4 years

## A ghost in the island

It's been rumored, it's being said, it's being told that... there is a ghost dancing on the island.

### Selling points:

- From the "Memorial Astrid Lindgren" author nominated Paula Carballeira.

- Green Spaces
- Transitioning to a greener world
- Protect green spaces
- Great illustrations

### Picture book

Author: Marina Nuñez  
 Illustrator: Avi Ofer  
 Size: 24 X 26 cm  
 40 pages  
 Age Range: +4 years

## A beautiful white egg

"A beautiful white egg" is a story about how joy is reborn after a disaster, about how life always breaks through, just like the hen protagonist of the story: running, cackling and singing.

### Selling points:

- Among the 100 recommended by the prestigious Cuatrogatos Foundation (USA)
- A book to promote the education for the peace.
- A book that shows you that there is always a way when you think everything is lost.

### Picture Book

Author: Paula Carballeira  
 Illustrator: Miguel Cerro  
 Size: 23 X 27 cm  
 40 pages  
 Age Range: +7 years

## I want to be a Queen

The soldiers were prepared for a new battle when Will told the rest of the team:

"I want to be a queen!"  
 "What do you say?" —some soldiers laughed.  
 "That's impossible!" One of them exclaimed.  
 "In that case, you would want to be the king!"

### Selling points:

- A book on diversity in all its dimensions.
- A new way to talk about gender identity
- The artistic illustrations of Dani Torrent take us to one battle with a surprising ending where everything is not what you expect... but a chess game.

### Picture book

Author: Susana Peix  
 Illustrator: Dani Torrent  
 Size: 22 X 29 cm  
 40 pages  
 Age Range: +6 years

## Imagining a new world

(for you)

Rights sold to Portugal

A book with LOVE as its main theme.

### Selling points:

An author's work about love in all its dimensions. Such as love for our neighbor, respect for others and for what each one thinks, love of justice, for the right of people to have a dignified life. Love for nature, romantic love, for our partner, our family and of course for our sons and daughters.

### Picture Book

Author: Paco Ortega  
 Illustrator: Paco Ortega  
 Size: 24 X 26 cm  
 40 pages  
 Age Range: +3 years
